LUDLOW AMBULANCE SERVICE
ANNUAL SUBSCRIPTION FOR EMERGENCY SERVICE

Subscriptions cover all residents of a household living at the same address. Emergency transportation is provided to the nearest suitable hospital including Baystate Wing Hospital, Baystate Medical Center, or Mercy Medical Center. As a subscriber, your insurance company will be billed for the emergency run and you will not be billed for any unpaid balance.

Routine transfers not of an emergency nature, i.e. hospital to nursing home, hospital to residential home, home to hospital for appointments, health care, or other services not considered an emergency are not covered by subscriptions.

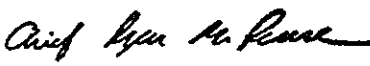

Transfers requested by a hospital or physician that they consider an emergency will be covered when proper forms are signed by the doctor.

YOUR SUBSCRIPTION IS TAX DEDUCTIBLE.

The charge for a basic life support ambulance run is \$800.00, plus mileage.

A \$40.00 subscription fee is a good investment for you and members of your household if an ambulance is ever needed.

Sincerely,

Chief Ryan M. Pease
Ludlow Fire Department
