

Department of Public Works

The Town of Ludlow, Massachusetts

September 21, 2018

Dear Residents:

The Department of Public Works would like to inform you that Miller Street between Chapin Street and Ventura Street and Chapin Street from the intersection at Miller Street to Batista Circle will be closed intermittently to through traffic from 7:00 am to 5:00 pm daily from September 24, 2018 through October 31, 2018. Residents will be allowed through. Be advised that there may be traffic delays. The project will be for pavement improvements.

During the initial reclamation process, be advised that there could be considerable vibration which may cause items to fall off walls and shelves.

Also, please note that if private lawn irrigation systems that are within the public way are inadvertently damaged by the work, that the repairs are the responsibility of the property owner.

Thank you for your cooperation in helping to restore these streets.
