## Town of Ludlow Hires New Town Counsel Firm

LUDLOW — Town Administrator Marc Strange is pleased to announce that the Town of Ludlow recently hired a new Town counsel firm.

The Town has hired [Mead, Talerman & Costa, LLC](#) (MTC), a firm specializing in municipal law, to assist the Town in all legal matters, including licensing, procurement and contracting, ethics and more. MTC has offices in Newburyport and Millis.

MTC was chosen after Town officials conducted a comprehensive search of law firms across the state. There are many benefits to hiring MTC, including cost savings and access to an entire roster of expert attorneys.

"By working with MTC, we will have access to an entire roster of attorneys that are experts in municipal law," Town Administrator Strange said. "We are excited about bringing them aboard, especially since this switch is saving the Town money."
